## Interprofessional Education Collaborative Care (IPEC)

**Sessions available during your upcoming 2025/26 Grand Rounds**

Explore the significance of IPE in the context of our evolving healthcare landscape. Our presentation includes interactive case scenarios that were provided by Northwell faculty, bringing real-world situations into the learning experience. We will align case presentations with your clinical discipline to ensure relevance in the clinical setting for education and patient care. Contact, Alice Fornari, [afornari@northwell.edu](mailto:afornari@northwell.edu)

## Just in Time Microlearning

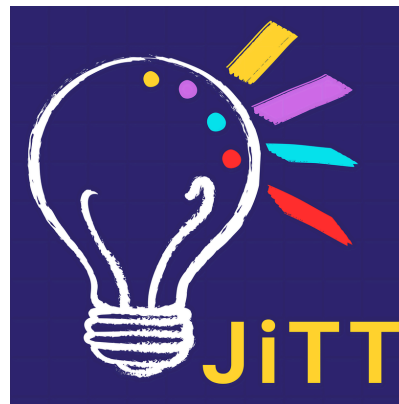

Faculty Development offering, "Microlearning" 15 minutes synchronously on a virtual platform near the end of your regularly scheduled faculty meetings to review one JiTT infographic from the Content and application to the learners in your clinical environments.

**By Invitation only, email [maffa@northwell.edu](mailto:maffa@northwell.edu)**

## JITT INFOGRAPHIC APP

The 2025 JiTT update includes an efficient revision of categories, 45 new JiTTs, new videos to accompany the infographics, and a comprehensible search engine to help users access the information they are seeking in a time-efficient way.

**Available free in your iOS App or Google play store**
